Dear Susan,

## *THANK YOU SO MUCH FOR YOUR SUPPORT*

Please accept my thanks and appreciation on behalf of the Board of Directors, students and staff of the Australian Institute of Holistic Medicine for your contribution that made our 10<sup>th</sup> Natural Medicine Awareness Day a great success.

A large number of people, who were truly interested in Natural Therapies, attended the event and the students, staff, presenters and sponsors all played huge role to make the event a great experience for everyone who attended.

Comments made by participants were truly inspiring and we were able to convey the benefits of Natural Therapies and allow people to experience them.

As you know, the event was widely advertised in local community newspapers, NOVA Magazine, the AIHM website and emails, display posters and leaflet and flyer distribution in the surrounding suburbs. In addition to this, editorials were written in the West Australian newspaper and the Community Newspapers. The Community Switchboard of various radio stations also gave details of the event.

The success of the event was a direct reflection of your support and the commitment of the students and staff of the Institute.

Once again, please accept my heartfelt thanks and appreciation for your contribution in helping us in our mission to make Natural Therapies available and educate the general public about the powers of Natural Therapies and their abilities to promote the healing process.

Yours Sincerely

Dr S Jayawardana  
Dean of Studies
